Q&A about the compatible

Q: How could I know my devices system?

--- A: You can easy to know from " Settings -- General -- About Phone "

Q: What should I do if my devices system haven't reach the Android 4.2.2?

--- A: You can install a App named " camera 360 ", then you can freely use the IBO-01 from this App.

How to use Bluetooth Remote Control

1.Turn on the IBO-01 - Press the self timer button about 2 seconds, after the red&blue light start to flashing means ok

2.Pair and connect the IBO-01 - Turn on the Bluetooth of your devices, search the IBO-01

3.Start to take photo - Enter the mobile phone or tablet's camera interface to start the smile travel

4.Turn off the IBO-01 - Press the self timer button about 5 seconds, the IBO-01 will turn off after the red&blue light flash 3 times

Note: If the devices pair failed, the IBO-01 will go into sleep mode automatically, press the self timer button to recover
